

Boy Scouts return from Canada

Eight adults and boys from Boy Scout Troop 166 in Bexley recently returned from Ontario, Canada, where they spent nine days canoeing more than 100 miles in the Boundary Waters from Quetico Provincial Park from Ontario to Ely, Minn. This trek was run through the BSA High Adventure Northern Tier Base. The scouts did not see many other people during their nine-day trip but they did see several bald eagles, turtles and beavers.
